SUPERMARKETS

Breaux Mart is proud to partner with the LA Cattlemen's Association and the Louisiana Beef Industry Council to make U.S.D.A certified Louisiana beef accessible to our local market. For four generations, Louisiana cattlemen have hand selected the best Angus cattle. Louisiana cattlemen continually strive to improve the lives and welfare of cattle by following strict guidelines. Cattle are born and raised in Louisiana and fed only the best puffed wheat and corn. Louisiana Legacy Beef's goal is to produce the "wow factor." Louisiana Legacy will be the best and the most consistent beef offered in the marketplace. Our beef will have you smiling, knowing that it comes from our backyard.

Be a part of the new "Legacy", now at all your local Breaux Mart locations.
